SUB: ESTABLISHMENT - South Kanara District - Staff employed for prevention of smuggling of foodgrains outside the Province - Retention beyond 30-9-1948 - Requested.
Ref: G.O.Ms.605, Food, dated 7th July 1948.

The Government in their G.O. cited were pleased to sanction the retention of 15 chowkidars now working near the provincial border of this district, till 30-9-1948 or till the need for them ceases, whichever is earlier. As this district adjoins the Bombay Province, Coorg and Mysore State, it will be quite necessary to guard these provincial borders against smuggling of foodgrains from this district, till the food position in the Province is general and in this district in particular, comes to the normal.

2. I request, therefore, that the Board may be pleased to address the Government to accord sanction for the retention of the fifteen chowkidars from 1-10-1948 to 31-3-1949 or till the need for the retention ceases, whichever is earlier.

There are at present 15 chaukidars employed in the borders of the South Kanara district adjoining the Bombay Province, Coorg and the Mysore State for the prevention of the smuggling of foodgrains and the period of their sanction for their retention is due to expire on 30.9.48. In view of the continuing difficult foodposition in the Province in general and in the South Kanara district, in particular the Collector considers that it is quite necessary to guard against smuggling from this district. He has accordingly proposed that the 15 chaukidars on the borders of this district may be retained up to 31.3.49. The Board has stated that the need for the staff beyond 31.12.48 cannot be foreseen now and has recommended the retention of the 15 Chaukidars up to that date. In the circumstances stated the Board's views may be accepted and the retention of the chaukidars may be sanctioned upto 31.12.48 or till the end of October for the supply month of the chaukidars, whichever is earlier.

foodgrains in this Province. Further the Govt. of India are having under consideration the question of continuing the Inter Provl. ban on foodgrains. It is therefore essential to retain the staff beyond 30.X.48 employed to prevent smuggling of foodgrains from S. Kanara dt. to Bombay Province, Mysore and Coorg State. 37173 E/48 4/9/48
